

## CURRICULUM FOR EXCELLENCE

### *Interdisciplinary Learning: Literacy / Expressive Arts*

*English staff developed short, expressive poetry and prose with S1 pupils in the weeks leading up to Christmas.*

*Art staff used these short, but powerful words to create illuminated texts, similar to illuminations in Mediaeval manuscripts. These banners were illustrated and prepared for display over Christmas, including forming part of the Disco decorations in December 2009.*

*Staff hope to recreate these within a bound presentation of poetry as a more permanent record which can be shared at home.*
