

# CURRICULUM FOR EXCELLENCE

## *Interdisciplinary Learning: Numeracy*

*Staff from Stromness Academy have developed a Financial Education programme in line with the new money outcomes within Numeracy. The programme includes lessons and a student challenge encouraging collaborative work.*

*Initially, the programme is delivered in upper primary classes and S1, and also forms the basis of a transition project with links to Maths and Business Studies.*

*Angela Mowat   Andy Walker   Jillian Crichton   Stella MacLeod   Hazel O'Connor*
