

CURRICULUM FOR EXCELLENCE

Interdisciplinary Learning: Scottish Dancing with live Ceilidh Band P.E. & Music

This is an annual project between second year P.E. and third year music classes. During the Autumn term S2 pupils learn Scottish ceilidh dancing and S3 pupils learn about the music of Scotland. Towards the end of the project S3 pupils form ceilidh bands and learn various dance sets: Waltzes, reels, jigs etc. On the last week of term each ceilidh band takes turns accompanying the S2 pupils. This IDL gives a real ceilidh atmosphere for dancers as well as providing valuable performance experience for musicians.
