Based at KGS

Samantha Craigie

Post-School

Kerri Liddle

Maternity Leave

Findlay Macleod

Trainee Careers Adviser

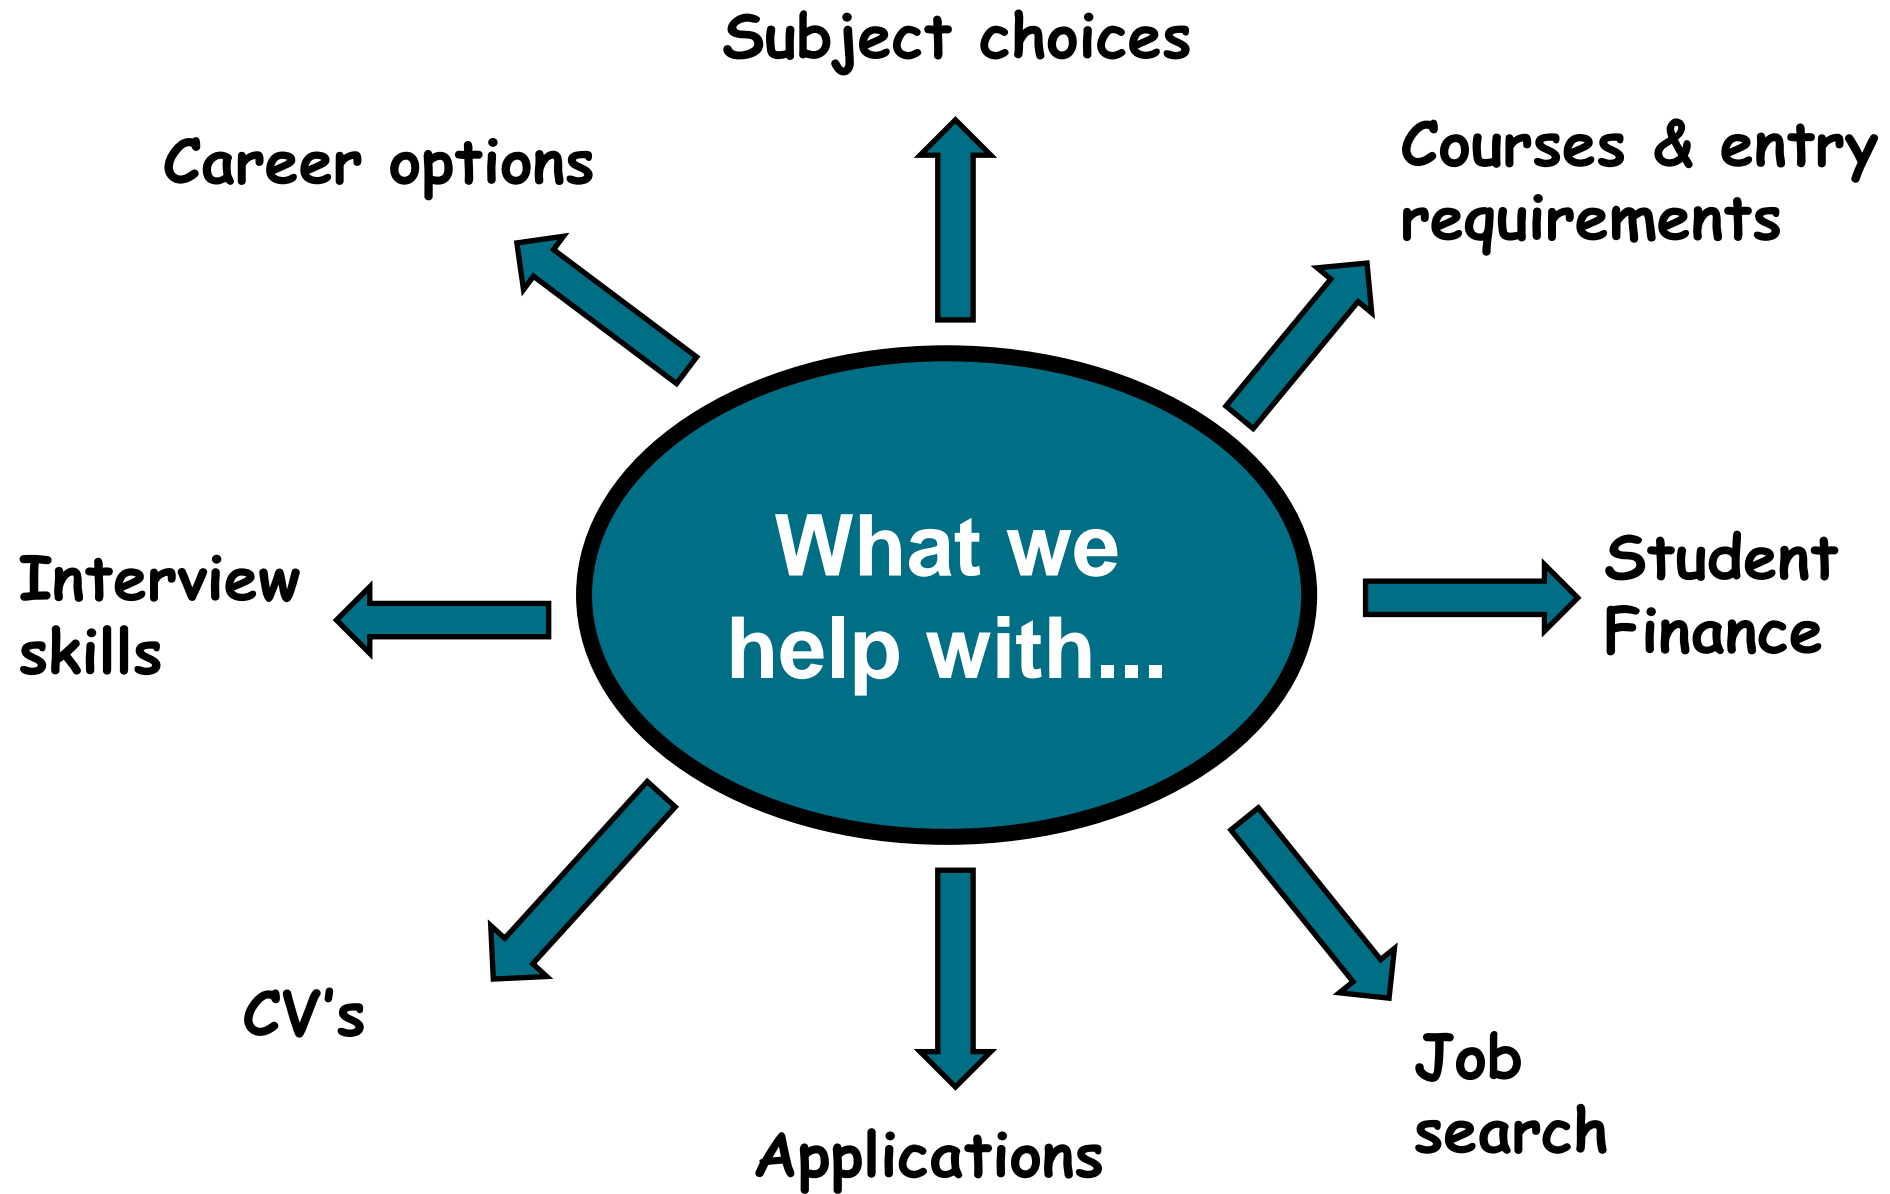

The School Service

- **One-to-One Appointments:** As a starting point, we meet with guidance staff at the beginning of the school year to find out who may require a 1:1 careers appointment during S4, S5 and S6.
- **Drop-in Sessions** run on Monday and Wednesday lunchtime for any pupil to have a quick chat or to request a longer appointment. Drop-in for S6 pupils only on Tuesday, Period 5.
- Appointments can be requested at the school office or by speaking to guidance teachers.
- All S3 pupils will receive a group session in PSE dedicated to subject choice and will be offered a ten minute, 1:1 slot with a careers adviser to discuss subject choices.
- Group sessions are delivered to all year groups as part of the PSE programme. These are aimed at developing Career Management Skills.

If your child is struggling with their future plans make sure they come along to drop-in or you can contact us at school to let us know you have concerns.

Career Management Skills
